*Love*

*A new commandment I gave to you, that you love one another, even as I have loved you, that you also love one another – John 13:34*

<b>A Christian perspective on Love</b>
Christians believe that their attitudes and actions must reflect the kindness, mercy and compassion of Jesus and the love of God for everyone.
<b>How do we demonstrate Thankfulness as a school community?</b>
We treat one another as we would like to be treated. We show care and consideration to others at all times. <i>A new commandment I gave to you, that you love one another, even as I have loved you, that you also love one another – John 13:34</i>
<b>Questions to consider as a school community</b>
How do we encourage an appreciative and thankful attitude in all members of our school community? In what ways do we encourage members of the school community to show kindness and respect to one another? How do we foster links with charities for those in need? Do we have links with vulnerable people in our community? How are new members of the school community nurtured and supported in their first term? How does the school help, and encourage pupils to understand and empathise with members of their community who have suffered traumatic experiences (e.g. bereavement?)
