

*Collective Worship Planning & Guidance – Autumn 1
Respect*

*Show proper respect to everyone; love the
brotherhood of believers, fear God, honour the King.*

1 Peter 2:17

<i>A Christian perspective on Respect</i>
The nature of God as revealed in the Bible, presents all people with a choice. Those whose response is one of respect are acknowledging God's greatness, authority and involvement in the world. This will extend to respect for the created order, including humanity made in the image of God. Reverence takes this response a step further and will include aspects of worship such as awe and wonder, surrender and sacrifice.
<i>How do we demonstrate respect as a school community?</i>
We value ourselves and know it is ok to be ourselves We value others, and know that they We treat others as we wish to be treated We are fair, take turns and share We are well mannered and say please and thank you We look at people when they are speaking to us We don't talk or interrupt other people when they are speaking We open doors for others We look after our school, the equipment and the environment We apologise for and admit to our mistakes We value and appreciate the greatness of God and the world he has created around us We value everybody in our community
<i>Questions to consider as a school community</i>
How are pupils and adults within the school community helped to acknowledge that we all make mistakes and we all need forgiveness from God and each other? How does the school help all members of the community to make amends for their mistakes? How does the school celebrate the ideas of God's love is so great that forgiveness is always possible? How does the school foster the idea that forgiveness and acceptance of all builds the life of the school community?
