

Pupil Council Minutes -Thursday 26th September

- We welcomed everybody and talked about the role of the Pupil Council. We also introduced Fable as the chair.
- We asked the Year 5 reps to decide if they would like to stand for Vice-chair. Only Katie Duffy wanted to do this and so she was elected.
- We discussed that we would try and get the photos for the board done tomorrow
- We also discussed the need for a school charity to support and get behind – this is to be with whole school events and class events. The Council want a designated notice board to show what the charity is and the work that they do, they want an update thermometer showing how much cash has been raised. They also want a regular slot at Celebration Assembly to discuss what has happened each week with the charity. They think a just giving page would also encourage people to donate. It should also be promoted on the website.
- After much discussion, the 2 charities the Council would like classes to vote on are: Hearing Dogs and Water Aid. **Please can all votes be collected by Friday 3rd October?**
- Fable, Miney, Chloe and Alexandra will write a thank you letter to the PA for the new tables and chairs. They will get all the Pupil Council members to sign it.
- AOB
Year 2 were concerned about the fighting and kicking on KS1 playground. Y1 said some children were scared. The older children were asked to come up with ideas – (more playground buddies, a red card system, longer time out) Mrs Thomas said she would talk to the KS1 staff
