

Knowledge Organiser

Prior Learning

EYFS

Expressive arts and Design (creating with materials).

Safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function. Share their creations, explaining the process they have used.

Year 1

Discuss how other artists, craftspeople and designers have used colour, shape, pattern, and form.

Create artwork from imagination, experience or observation.

Year 2 – Art

Autumn 1

Nature Art

Key Skills Taught

- To work on a range of scales and use different materials for effect.
- To explore shape and form and different textures.
- To explore the differences and similarities within the work of artists.
- To use sketching to record initial ideas.
- How photographing art can be one way to record and persevere it.

Vocabulary

Sculpture

Making a statue or other object through, carving or moulding.

Leaf art

Artwork that is made using leaves.

Natural forms

An object that is found in nature like a flowers, leaves, rocks, sticks, pine cones.

Ephemeral

Lasting for a short time.

.Key Knowledge Taught: *by the end of the unit pupils are expected to know that / be able to:*

- Andy Goldsworthy is a British land artist/ environmental sculptor
- Andy Goldsworthy's art is temporary because it comes from nature, so it will eventually disappear. His work is photographed to preserve it.
- Sculptures are 3D (can be viewed from different angles).
- Works of art can take be different sizes and forms; they can be inside and outside.

Extra Information: This can be added to by teacher, parent or child
